Commensurability: The Grammars of Decidability (Mindfulness, Agency) - A "Periodic Table of Speech"

Curt Doolittle, The Propertarian Institute, Kiev, Ukraine

The central conflict is evolution and speciation vs devolution and integration.
The central problem is the cost of truth and science vs the cost of deciet and fiction.

| | Deflation
(Measurement - Empowerment - Individualism - Generating Competition)
Masculine Reproductive Strategy - Political Tribalism.
Necessity of Hierarchy, Duty, and Loyalty, Increases. | | |
